WINE LIST

SPRING 2019

Our wine list celebrates the diversity in grape, region, style and philosophy that make's wine today so exciting. Our wine list is about our local wine regions with a slight Italian accent so we focus on the wines that these two countries do well showcasing new and artisanal producers as well as the legends that came before them and built the industry we know today. However, a wine list is just numbers and letters on paper; you need a person to bring it to life; so we approach wine service this way. It is not about selling you the 'best' wine, its finding you the 'right' wine. The wine that matches the reasons why you are here, the food you are eating and the people you are with, this is what we think makes a good bottle great and a meal memorable.

Four Winds wines

A focus on the wines of a single local producer for the season.

Spring '19

Each season we focus on the people and places behind the Canberra District winemaking community who help make our growing wine industry tick. This is not about lecturing you on the importance of 'terroir' or the benefits of detecting the aromas of 'crushed rocks' and 'rose petals'. It's the story of a collaborative and connected group of winemakers and a unique regional climate that is now producing some of Australia's most individual and distinctive dry wines.

The producer for Spring is John and Sarah Collingwood of Four Winds wines In Murrumbateman

The Four Winds story..

Four Winds Vineyard is a micro-winery in Murrumbateman in the Canberra District. With a winemaking philosophy of minimal intervention almost everything in the vineyard is done by hand; from shoot-thinning and leaf-plucking to pruning and picking. The cellar door, created from recycled materials reflects the down-to-earth passion of the family for handcrafting and innovation. The vineyard's photography series of labels has won three international awards and you can see the vineyard's activities regularly on social media channels.
