SKIN RESCUE

(120 mins / \$265)

Warm Oil Back Massage + Signature Aloe Wrap + Refresh Facial + Hair Treatment + Scalp, Neck & Shoulder Massage

Overexposure, as many a celebrity would attest, is not always a good thing. This treatment operates to penetrate overexposed skin and hair with a moisture explosion restoring every part of you. You'll be rebuilt from the ground up, starting with a foot ritual followed by a warm oil back massage. Next, comes a nourishing blend of aloe vera with jasmine and geranium, applied lovingly to the skin before you're tenderly swaddled in natural cloth. A nourishing and protecting hair treatment, featuring a potent combination of coconut oil, china bark extract and essential oil, is then applied to your hair through a bliss-inducing scalp, neck and shoulder massage. Now you're back to your beautiful self and ready for your close-up.

Your skin is cleansed using an exfoliation of therapeutic sea salts with a blend of aromatic bergamot and antioxidant-rich green tea. After rinsing, traditional light oils of the tropics are massaged to balance and soften the skin. The ceremony draws to a close with a facial massage using a specially crafted blend of the purest essential oils and plant extracts.

Facial Therapy by Uspa

Your face is the autobiography of your life. It's as unique as you are, much like your customised facial! We use Uspa premium skin care products made from natural plant extracts, many of which are grown in the Australian sunshine. Uspa's carefully blended plant serums, mud therapies and essential oils are of the purest and highest grade, ensuring the nutrients work deeper into the skin's layers.

USPA CONCEPT FACIAL

(90 mins / \$195)

A treatment that is as individual as you are. What makes it so sublime is that this bespoke treatment is conceptualised by your skilled therapist who chooses highly active plant extracts which will produce the most tangible and noticeable results for the skin you're in. It runs like this; a welcoming back massage, a deep cleanse, exfoliation, followed by a therapeutic face and scalp massage. A facial mask is applied to the skin before an eye contour wrap which takes care of the delicate eye area. Then we complete with an application of potent serums and a hydration treatment to nourish and protect. Seriously, you won't recognise yourself.

USPA CUSTOM FACIAL

(60 mins / \$140)

The Concept Facial's baby sister has all of the above minus the back massage and eye contour wrap. It may be a little less time intensive but it is still power-packed.

ESSENTIAL FOCUS FACIAL

(30 mins / \$80 OR \$70 with another treatment)

Available on its own as a quick pick-me-up or the perfect addition to your body treatment. Suitable for any skin type, this express facial therapy is a complexion booster that includes cleansing, exfoliation, facial mask, toning and moisturising.

SUPERNATURAL MEN'S FACIAL

(60 mins / \$140)

This facial is designed to provide the checks and balances to bring your skin into harmony. A purifying cleanse and exfoliation, using products enriched with birch extract, almond oil and ginseng, helps purify the skin before a bliss-inducing face massage. A deeply relaxing scalp, hand and arm massage concludes the experience.

FAST EDDY FACIAL

(30 mins / \$80 OR \$70 with another treatment)

You're a busy man with the world to conquer, but you can still put your best face forward, fast. Working from the shoulders up, we start by cleansing the skin, infused with grapefruit and balancing oils, followed by a revitalising exfoliation of bamboo and ginseng. A mud mask is applied to close pores, tighten and improve skin tone and texture. Aloe vera hydrant gel infused with green tea re-boots and restores before a final hit of lotion to hydrate the skin without leaving an oily or shiny effect.... restoring you to the man you truly are.

Massage Therapy

Muscle melting, immune boosting, stress relieving and life-affirming, the power of touch is undeniable. We allocate time with your therapist before treatment to customise your massage to how you are feeling in the 'here and now'. Live for the moment and beyond, by accompanying your treatment with a little extra from our "Accessories" menu, giving you something more to look forward to!

THERMAL MASSAGE

(60 OR 90 mins / \$145 OR \$205)

Body Exfoliation & Masks

Here on the Gold Coast, we love to flaunt a bit (okay, a lot) of fabulous skin. Stepping out in great skin is right up there with wearing a pair of Jimmy Choos – and let's face it, together they're a knockout combination.

We use nutrient-rich natural products and mmm-inducing techniques to help get your glow on.

THERAPEUTIC SEA SALT GLOW

(60 mins / \$140)

Get a dose of mega-goodness. A rich combination of organic green tea and sea salt deeply cleanses and exfoliates your skin. Rich in anti-oxidants, including vitamins C and E, this blend helps to restore a youthful glow. As a finishing touch, the application of tangerine and rose moisturiser, blended with sweet almond and sesame oils, will leave your skin smooth and replenished.

BAMBOO & GINSENG BODY POLISH

(60 mins / \$140)

This all-over body exfoliation treatment uses a potent infusion of revitalising ginseng and ginkgo blended with gentle exfoliating bamboo beads to remove dead skin cells and oxygenate the skin. A full-body application of refreshing tangerine and rose will leave your skin feeling soft, refreshed and smooth. This treatment is effective but still gentle enough for sensitive skin.

ORGANIC COCO CREAM WRAP

(90 mins / \$205)

Banish the dry skin drag with this nourishing and moisture-rich concoction. The treatment begins with your choice of exfoliation to cleanse the whole body. Next, a nourishing full-body application of warmed coco butter and coconut, infused with aromatic vanilla, feeds your skin while your therapist delivers a divine scalp massage. Unwrap and voilà! Silky smooth, rehydrated skin.

COFFEE & SEA KELP CONTOUR WRAP

(90 mins / \$205)

A true wrap star! It's mood altering, body changing as well as giving you supple, gloriously smooth, toned skin. A vitamin, mineral and anti-oxidant rich infusion of coffee and sea kelp is used to stimulate circulation, detoxify and gently exfoliate the skin, while the subtle scent of orange and vanilla rises like scented clouds lifting your mood. Now your buffed skin is ready to absorb the all over, mineral-rich clay wrap, which has superhero drawing properties to help boost circulation, relieve sluggishness and firm the skin. A nourishing massage with evening primrose, camellia and jojoba oil follows the lymphatic pathways helping to drain toxins from your system.
