DILMAH EXCEPTIONAL TEA

. . .

Elderflower and Apple Infusion

Citrus and green apple complement elderflower and elderberries to produce a fresh and fruity infusion that is naturally caffeine-free.

Rose with French Vanilla

An aromatic fusion of Ceylon tea with the flavour of rose and a hint of French vanilla. Elegant and sophisticated, with a medium bodied floral note. A romantic tea to enjoy after dinner.

Perfect Ceylon Tea

A perfectly balanced tea for connoisseurs from Ceylon's western high grown region, where the varying climatic conditions produces a tea that offers richness, depth and the slightly grassy, bright note of high quality, fresh tea.

Elegant Earl Grey

A bold and bright single region Ceylon tea, gently fused with Bergamot flavour, results in a balanced, medium strength tea with the citrus notes. Together, this floral and fruity flavour form a distinctive, elegant tea perfect for any time of the day.

Blueberry

The soft and elusive flavour of blueberry – sweet & tangy, sour & fruity, producing a beautifully balanced aromatic and gentle tea.

Fragrant Jasmine Green

An inspiring green tea with bold leaf appearance, combined with petals of natural Jasmine flowers. The brew produced by this combination is mild and gentle; the fragrance and a touch of sweetness comes from the night blooming Jasmine flower.
